FEEDING AMERICA

In 2023, Helping Harvest distributed nutritious produce, dairy and meats valued at **$3.8 M** (2.4 M lbs) to low-income families throughout Schuylkill County.

Helping Harvest supplies food to **108 Schuylkill County charitable food program agency partners** that nourish our neighbors in need.

Every Friday, a bag of nutritious food is provided for students who struggle with food insecurity. Helping Harvest supports **21 Schuylkill County Weekender Program sites,** last year filling **44,799 bags.**

To ensure they receive supplemental food of high nutritional value, close to **6,000 food boxes** were distributed **to low-income seniors** living in Schuylkill County through the Senior Food Box Program.
